Subject: Welcome back

Can I ask you to work with your appropriate staff today and be in touch asap with Bob Ward and Paul Logan on the Gold King Mine incident.

Once you've had a chance to get your arms around the situation, I like a download.

Additionally, we have a daily call is like you to join today. We can decide if you need to join moving forward, or alternatively if it makes more sense for you to cover and then give me the download. Today that meeting is at 3 PM. I think the rest of the week it may be at 4 PM.
